

GOLF VOUCHER TERMS & CONDITIONS

All Golf Vouchers subject to availability and are to be booked by the client. We advise booking tee time before purchasing golf vouchers.

Tee times may not be available on short notice. We recommend making bookings at least 2 weeks in advance of the date upon which you wish to use the Voucher and at least 4 weeks in advance of the Voucher expiry date.

Any special conditions or restrictions on the use of the Voucher will be advertised together with the golf voucher. We do not guarantee that Golf Voucher will be available at your preferred date and time.

The use of the Voucher is subject to any Golf Facility Operator policies and terms and conditions of use.

If you cancel a booking you may incur a cancellation fee payable to the Golf Facility Operator. Short notice cancellations may result in the cancellation of your Voucher if the Golf Facility Operator is unable to fill your space.

Golf Facility Operators reserve the right to cancel and reschedule your booking due to unforeseen circumstances including without limitation, inclement weather, storms or floods and the like. Where your booking is cancelled by the Golf Facility Operator for any of the above reasons your voucher will still be valid and you will be able to re-book a tee time that is convenient to you. We are not liable for any cancellations or any travelling, accommodation or other expenses incurred by you or any other person in connection with the cancelled booking.

Golf Facility Operators may impose conditions such as dress requirements, minimum and maximum numbers of players for a golf round and minimum age restrictions regarding driver's licences. It is your responsibility to obtain details of any restrictions that may apply from the Golf Facility Operator prior to confirming any booking.

Refunds: Please call our office if you have a problem with a purchase on our website.
